

Announcing an upgrade to your **OneClick BillPay** account.

First State Bank is upgrading **BillPay** to make it even simpler and more convenient.

Starting on June 21, 2017, your **OneClick BillPay** home page will be an account dashboard that allows you to monitor payment activity at a glance. From your dashboard you'll be able to:

- View all payees, upcoming bills, payment history and account balances
- Quickly add a new payee
- Make a payment to any person or company in one click
- Set up recurring payments for bills that are the same each month
- See bill amounts and payment due dates with eBill

The screenshot displays the OneClick BillPay dashboard interface. At the top, there are navigation tabs: Payments, Pay a Person, GiftPay, Calendar, My Account, and Help. Below the tabs, a welcome message reads "Welcome Web Demo | demo@bills.com | Last login: 01:57 PM on 06/07/2016". There are also links for "Messages (1)" and a phone number "877-241-9019". A blue button labeled "Add a Payee" is visible on the left. A red "Attention Required" alert is shown in the top right. The main section is titled "Payments" and includes a filter menu with options: "Display: All | Last 30 days | eBills | Company | Individuals | Inactive | Hidden (0)". Below this is a search bar with the text "Search your payees" and a search button. The main content area is a table with columns: "Pay To", "Pay from", "Amount", "Payment date", and "Actions".
